

# PENHOLD CROSSING SECONDARY SCHOOL

---

## 2024-2025 Penhold Crossing Student Supply List

### General Supplies for All Students

Please note that each student will have an individual locker and therefore, is responsible for looking after their technology, supplies and personal property. New locks will be mandatory for new students and every Grade 7 student on the first day at a cost \$ 10.00 each. Previous year's students are asked to bring back the lock they bought last year. If lost, they can buy a new one at the office.

### Please provide the following:

- A large backpack or bag suitable for a laptop, binders and books
- (2) - 2 inch binders, small pack of loose leaf paper and dividers
- Pencils, whiteboard markers, pens, erasers, scissors as needed through the year
- Pencil crayons or markers, highlighters and a ruler
- geometry set Grade 7 ONLY
- A clean pair of non-marking indoor athletic shoes for Physical Education class
- It is required that all students change out of their school clothes into a separate set of clothes for Physical Education classes. This includes shorts or sweats and a Tee shirt or hoodie or athletic shirt to change into.
- Scientific Calculator, can be purchased at Staples, Walmart etc.
  - Grade 7, 8, 9, Math 10-3, 20-3, 30-3 - TI-30X IIS, Casio fx-300ES Plus, fx-300MS or equivalent
  - Math 10C, 20-1, 20-2, 30-1, 30-2 - TI83-Plus, TI84-Plus, Casio fx-9750Gill or equivalent

### Grades 7 - 12 Personal Technology

We ask that parents support their child with personal technology to be used daily in school. An expected increased demand on technology use within the school will likely mean that students will have frequent times where technology is not accessible to them if they do not possess their own devices. Students may use a variety of laptop style platforms (not phones) as long as they are wireless and can operate a Google Chrome browser. One of the newest and most affordable machines is a Chromebook, please ensure it has:

- 2G of RAM - Webcam - QWERTY U.S. Keyboard or keyboard function
- Compatibility with both 802.11n and 802.11ac wireless networks
- Battery life of 5 hours or longer as charging stations are limited in the classrooms
- Capability of running Google Chrome browser

Several models of Chromebooks can be found in the \$300 dollar range or less and can frequently be found on sale at stores like Amazon and Staples.

**PLEASE NOTE:** Teachers may ask for additional supplies specific to their Classrooms.
