So, you want to be a...

# Meat Processor

## Olds College

### Meat Processing Certificate

Length of Program: 15 Weeks

Prepare for a career in the in-demand meat processing industry with the Meat Processing Certificate program. Unique to North America, this program will provide you with industry focused instruction from the National Meat Training Centre at Olds College, where you will be given instruction on the entire meat process – from slaughter to retail.

During this fast-paced 15-week program, you will have the opportunity to specialize in Livestock Slaughter or Full Service & Retail Meat Cutting.

**Dual Credit  
Opportunity!!**

#### Admission Requirements

- Applicants should be 18 years of age or older and in good physical condition
- Meet the English Language Proficiency Requirement
