

# PCSS Post Secondary Spotlight

So, you want to be a ...

# Respiratory Therapist

Respiratory Therapists are dedicated to the diagnosis, treatment, rehabilitation and education of patients with heart and lung disorders. As a Respiratory Therapist, you'll work with patients of all ages, from infants and children to adults and geriatrics. The Respiratory Therapist is a crucial life-saving and life-supporting professional, and as a NAIT graduate you'll be well equipped to work in a wide variety of hospital and health care settings.
