

So, you want to be an...

Accommodation Manager

Accommodation managers direct and control the operations of privately and publicly owned hotels, motels, campgrounds, trailer parks, camps, bed and breakfasts, hostels and post-secondary school residences.

Hospitality & Tourism Management Diploma

2 Years

Prepare for a fulfilling career in the exciting hospitality and tourism industry with the Hospitality and Tourism diploma.

During this program, you'll be equipped with practical knowledge and skills required for exceptional front-line guest experience, as well as leadership and management skills to pursue exciting supervisory and management careers.

Throughout the program, you'll engage in a variety of industry field excursions that serve to enhance your learning experience and provide valuable networking opportunities. Two work-integrated learning internships completed over the summer reinforce the knowledge and skills developed during class instruction.

Credentials

Upon successful completion of this program, graduates will receive an Olds College diploma in Hospitality and Tourism Management. Graduates will also receive certification in Proserve, Food Handling and First Aid.
