

PCSS Post Secondary Spotlight

So, you want to be a...

Doctor of Medicine

This program does not allow admission directly from high school.

All applicants to the Doctor of Medicine Program must be registered in a **baccalaureate degree** from a program recognized by the University of Alberta and obtain their degree the year admission is sought or already have completed their degree program. **We have no preference for which institution you attend nor which degree program you complete, provided that the institution and program you choose is recognized by the University of Alberta; you should be pursuing your own interests while fulfilling the requirements of your degree program.**

To be eligible to apply, a minimum GPA of 3.30 is required for Alberta residents.

Applicants are required to write the Medical College Admission Test (MCAT). To be eligible to apply, a minimum score of 124 in all categories is required for Alberta residents.

Applicants are required to complete the Secondary Medicine Application. It is comprised of reference letters, personal activities, and additional information.

Applicants who successfully complete both applications and meet all minimum requirements will be required to do additional testing.

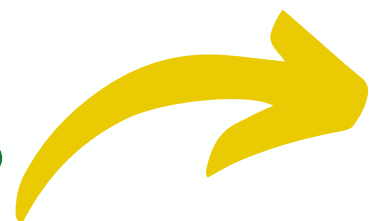

Based on selection criteria, competitive applicants will be selected to participate in an interview for admission into the University of Alberta Doctor of Medicine Program.

First...

Alberta Grade 12 Preparation: It is recommended that students have the following Grade 12 subjects: English Language Arts 30-1, Biology 30, Chemistry 30, Mathematics 30-1 and Physics 30.

Then...

Apply to the Bachelor's degree of your choice, keeping the admission requirements of that program in mind!
